

KELLER SCHOOL

OPT OUT / OPT IN FOR AUTOMATED PHONE CALLS FROM KELLER SCHOOL DISTRICT

Keller School uses an automated (robocall) phone notification system called SchoolMessenger. When enrolling a student in school and providing a phone number, the parent/guardian agrees to accept automated phone calls from the school.

Automated calls are closely related to the mission of the school and are intended to keep parents/guardians informed about school-related concerns. By providing a phone number to the school, the parent/guardian has agreed to accept automated calls from the school. Phone numbers are used only for school related purposes.

You may choose to opt out of calls from the school district that do not fall under the “Emergency” designation. Examples of “Emergency” calls may include but are not limited to: Health and Safety, weather, threats/imminent danger and attendance.

“Opting Out” of non-emergency calls:

Parent/Guardian may call and notify the school of the request to opt-out of non-emergency calls.

“Opting In” to automated calls after “Opting Out”:

If the parent/guardian chooses to opt-in and be included again in non-emergency automated phone calls, the school must be contacted to convey the intent to opt in.

Please contact the school for more information at (509) 634-4325.

Receiving “Robocalls” in Error

Please call the Keller School District at (509) 634-4325 if you believe you are receiving a “Robocall” in error. We will work with you to address your concern. You must provide the name of the person and the entire phone number, including area code, which is being called in error.
